

CALTRANS COMMUTER ALERT

05-207

Date: July 18, 2005
District: 08 – San Bernardino County
Contact: Thomas Knox
Phone: (909) 383-4631 (work)
(909) 289-8827 (cell)

FOR IMMEDIATE RELEASE

Moreno Valley - Caltrans has begun nighttime lane closures on State Route 60 from Gilman Springs Road to Jack Rabbit Trail in the Moreno Valley area to make improvements to the freeway. This closure is planned to end by mid August. The work hours are typically 9 p.m. to 6 a.m. the next day. Motorists are asked to help Caltrans and their contractor by planning ahead and adding extra time to their commutes. Also, when possible, motorists are encouraged to use alternate routes to help reduce traffic backups. Other freeways that can be used during the next several weeks include interstates 10 and 215 through Riverside, San Bernardino, Redlands and Beaumont.

Over the years, parts of State Route 60 have worn down under the pressure of normal wear and tear. By making improvements to the roadway, Caltrans hopes to extend the useful life of the freeway by another 30 years.

Please visit our Web site at <http://www.dot.ca.gov/dist8/> for background on other transportation improvement projects throughout San Bernardino and Riverside counties.

Please call Caltrans at (909) 383-4631 for more information on this closure. And always remember; be alert and ***SLOW FOR THE CONE ZONE.***
